04 GRAPHIC MOTIF

The **play triangle** from the X in the logo is the only graphic device. Use it as bullets, the button arrow, section markers and video corner marks. Always solid amber, always pointing right.

05 INTERFACE

Book a Free Strategy Call ▶ | See Our Work

Square corners (0 px; 2 px on buttons and inputs). **No shadows or gradients:** separate with 1 px borders. Focus ring: 2 px amber on onyx, 2 px onyx on white.
